Enjoy an unusual guided, culinary experience in the underground galleries only lit by individual lamps.

Recognised as Unesco World Heritage, this rare site stepped in history leads you down into underground galleries, situated 30 and 60 metres deep, to discover an authentic coal mine.

At a corporate event, take your employees down these paths with a few gourmet stops along the way.

A unique flavour experience. The tourist train ride and Mosan outings are an excellent way to discover the region with your employees. Several combinations are possible to supplement seminars for a hundred people.
